7. Barn Survey. Kristen Heitert will share updated spreadsheet information on 2007 Barns Survey, upon receipt of photographic record from Jean McClellan to facilitate a full review of town barns by Commission members. (Current spreadsheet is based on earlier partial survey by Old Sturbridge Village.) Results of Commission members' work will be submitted to Kristen. Inclusion on Town of Woodstock and Preservation CT websites will be considered following correspondence with property owners. (Preservation CT has all 2007 photographic data including addresses in its data bank, but did not publish to website given preference of Commission at the time to keep addresses private. Recognizing that all of this information is now available in many forms makes reconsideration of this preference useful.)

Please note that these minutes are in draft form until approved by the Commission.

Respectfully submitted by
