NEED A COVID TEST?

Generations is here to help whether you have symptoms or NOT. We offer safe, curbside COVID-19 testing for anyone. You DO NOT need to be a Generations patient. Testing available for patients **in a vehicle** or **on foot** at our:

DANIELSON, PUTNAM, AND WILLIMANTIC SITES

DETAILS:
- No cost to the patient for the test
- Testing results usually available in 2-3 days
- Testing available for all ages

NOTE:
- Patients must be age 10 or older to take a self-test for COVID-19.
- A parent or legal guardian can administer the test to their child, ages 5 or older.
- Patients less than 5 years of age, are not eligible for a self-test, and will be tested by Generations' staff.

YOU MUST HAVE AN APPOINTMENT TO GET TESTING DONE AT ONE OF OUR SITES MONDAYS – FRIDAYS.

- Appointments available Monday through Friday, 9 am – 12 noon and 1 pm – 4 pm (some same-day appointments available)
