 - » Residents who have purchased a yearly sticker, but need to temporarily use a different vehicle, must present vehicle registration (for the vehicle that will be used) to receive a one day pass at no cost.
 - » May be obtained at Transfer Station with proper ID and **payable by check only made out to the "Town of Woodstock."**

Bulky Waste

Bulky waste disposal fees are based on weight — heavy loads will cost more for disposal. Bulky items may include, but are not limited to: a large assortment of household junk, "clean" (new, unpainted, unused) wood, empty or dried paint cans, large furniture, large toys, etc. Construction/demolition debris (sheet rock, shingles, and insulation) must not exceed 100 lbs. and must be in a separate container.

Loads must be assessed by the attendant prior to dumping, or additional fees may be charged. Payment must be made by check payable to "Town of Woodstock" (absolutely no cash or credit cards) at the time of disposal. A \$15 fee will be charged for checks returned by the bank as unpaid.

Fee Schedule (Final fees will be determined by attendants after reviewing loads.)

The disposal of Demolition Material (in excess of 100 lbs.) is restricted by the DEEP. You will need to make your own arrangements with a private hauler for removal.

(1) 30 to 55 gallon container**	\$15
(1) small pick-up truck or small trailer load	\$30
(1) mid-sized pick-up truck (1/2, 3/4 ton) or medium trailer load	\$45
(1) 1-ton dump truck or large trailer load	\$55

****Minimum bulky charge = \$15**

Additional \$10 fee assessed on loads that include demolition or construction debris.

\$6 each for stuffed chairs, \$10 for a sofa/sleeper sofa (if springs are removed)

\$15 each for any appliances with Freon (refrigerators, freezers, air conditioners, dehumidifiers).

Tires

\$6 per car tire
\$8 per car tire w/rim
\$12 per R17 tire
\$18 per R17 tire w/rim
\$28 per tractor/earth moving tire

Empty Propane Tanks

\$4 for 20 lb. tank
\$6 for 40 lb. tank
\$10 for 100 lb. tank

Transfer Station Regulations

All Transfer Station regulations are enforced by the attendants, and residents must adhere to their instructions.

- Proof of vehicle registration in the Town of Woodstock (Tax Code #169) is required with a permit.
- New residents who have not yet registered their vehicle in Woodstock will be issued up to five one day passes. *Passes must be surrendered on the day of use and expire within 30 days of issue.*
- **Permit sticker is assigned to a specific vehicle, its owner/s, and a specific household.** To use another vehicle, please see stipulations of the one day pass (previous page).
- Only day passes issued in 2021 are accepted and must be surrendered to attendant upon entry.
- Permits are NOT refundable.

***Annual Permit Stickers MUST be affixed to driver's side front windshield or admittance will be denied.**

- Place items in appropriate containers or areas as indicated.
- Bulky loads MUST be assessed by attendant prior to dumping to be sure any additional assessment fees are accurate.

*** Violations of these regulations may result in loss of transfer station use, including permit revocation.**

***CONTRACTORS / BUSINESS OWNERS may only dispose of their own personal household trash and bulky waste, not from their business.**

Hazardous waste is NOT accepted at the Transfer Station. The Town participates in hazardous waste collection days—watch for local advertising. Please store the material safely until the collection day is held.
